Professional & Policy Experience

Since 2006, I have served as a [Specialist in Public Policy and Management](#)  within the Brazilian Federal Civil Service. In this capacity, I have held the following leadership and technical roles:

Senior Policy Advisor

Ministry of Social Development

Brasilia, Brazil

Jan 2019-July 2021

- Deputy Chief of Staff of the Secretariat of Evaluation and Information Management (SAGI).
- Collaborated in the design and execution of 32 research projects, including two randomized controlled trials (RCTs), to evaluate the effectiveness of federal programs.
- Provided technical inputs that informed emergency economic relief for low-income households during the COVID-19 pandemic and improved the design and effectiveness of strategic federal programs, including the National Housing Program and the *Bolsa Família* conditional cash transfer program.

Joint-Secretary for Racial Equality

Ministry of Human Rights

Brasilia, Brazil

Jun 2018-Jan 2019

- Led a national secretariat overseeing two departments, two national councils, and two supporting units, managing a team of approximately 70 professionals to advance key policy initiatives.
- Managed the implementation of nearly 200 projects nationwide, focusing on the promotion of human rights and advancing racial equality.
- Co-chaired the National Council for Racial Equality, driving federal policies to promote racial justice and equality across Brazil.

Chief of Staff

National Council for Food Security

Brasilia, Brazil

Aug 2014-Aug 2016

- Led a 20-person team responsible for providing strategic advice to the Council and the Federal Government on food security and social policy issues.
- Provided technical inputs and authored reports that informed the design of national food security policies, including the National Policy for Adequate Access to Food (PNAA), the National School Feeding Program (PNAE), and smallholder development initiatives.
- Held a joint appointment as General Coordinator of Support for Local Agri-Food Public Systems (Ministry of Social Development), in charge of enhancing coordination between federal and local food security policies.

Policy Analysis Manager

Office of the Presidency of the Republic of Brazil

Brasilia, Brazil

Dec 2012-Aug 2014

- Contributed to the planning and execution of national surveys and qualitative assessments to evaluate citizens' perceptions of federal public policies. Some of the quantitative assessments were pioneering efforts, becoming the first of their kind to cover the entire country.

Advisor*National Council for Food Security and Ministry of Social Development**Brasilia, Brazil**Feb 2009-Dec 2012*

- Drafted policy memoranda to support the Council's stance on key social programs implemented by the Brazilian government.
- Held a joint appointment as Technical Advisor to the Ministry of Social Development, advising on policies related to social welfare and development initiatives.

Project Planning Manager*Ministry of Labor and Employment**Brasilia, Brasil**Feb 2008-Feb 2009*

- Led an 18-person team responsible for planning and executing the Ministry of Labor's qualification program for low-income, unemployed workers.
- Developed and implemented projects that benefited approximately 270,000 workers over a two-year period.

Advisor*Ministry of Labor and Employment**Brasilia, Brasil**Jun 2006-Feb 2008*

- Implemented a budget management program that improved efficiency across the Ministry's 513 decentralized offices, transforming a 10% deficit into a 2% surplus.

Research Assistant*Diferencial Consultoria**Brasilia, Brasil**May-Oct 2004*

- Researched and organized data on educational policy to support the elaboration of an educational reform in Brazil

Consulting Projects

- **CIFOR-ICRAF, 2025–2026:** Evaluation of environmental certification schemes, with a focus on development outcomes beyond environmental indicators.
- **Inter-American Development Bank (IDB), 2025–2026:** Impact evaluation of water quality on educational outcomes in Brazil.
- **USAID RTAC, 2022:** Assessment of climate “game changers” and requirements for adaptation interventions, emphasizing theory of change, vulnerability metrics, and foresight analysis.
- **Oxfam International, 2022:** Prepared background inputs for the report *Doing Business on Uneven Ground* [↗](#), examining land inequality in agri-food supply chains.
